Project SMART Clovis

Project SMART (Student Mentoring And Responsibility Team)

Education is an essential investment in the future of our children.

At Clovis Community Day School, we strive to help at-risk students to learn academic and social skills that assure them the greatest degree of achievement.

Mentoring... Helping to Make A Difference

Mentoring is an exiting, challenging and rewarding experience. A mentor can make a positive change in a life of a child. Caring mentors offer support, consistency, and a chance for a young person to develop the knowledge and skills necessary to reach their full potential.

Q&A

Our Purpose?

Project SMART is a one-to-one school-based mentoring program. The goal of our program is to provide...
